ULTRA COMFORTABLE,  
ULTRA QUIET

EXTRA-LONG  
BATTERY LIFE

SPILL-RESISTANT  
KEYBOARD

Work comfortably and in silence with the TKM-450 keyboard and mouse set – the quietest keyboard and mouse we’ve ever made. And when we say quiet, we’re talking ‘library quiet’. Plus, the set features a 4\* Clevergreen rating, as it’s made with 85% recycled materials and arrives in sustainable cardboard packaging. A durable design means this desk set is ready to work overtime. Meanwhile, use the included Duracell batteries to enjoy up to 48 months of working time for the keyboard and 12 months for the mouse.

The fully wireless keyboard features an integrated wrist rest and soft keystrokes that keep you productive and comfortable, while easily accessible media and office keys mean you’re an instant away from sharing that genius presentation. Spill-resistant keys protect your keyboard from liquids – like that extra-large coffee. Because, hey, sometimes it’s just that kind of day. And finally, easy-to-open, compact packaging enable you to unbox, plug in, and start working – with no setup necessary!
