## DECLARATION OF CONFORMITY

DATE OF ISSUE: 2025-01-09

VALID TO: 2027-01-09

### Intended use

- The boxes are made from virgin fibers and may stand in direct contact with dry and fatty foodstuffs.

This product is intended for use under the following conditions:

- Any long-term storage at room temperature or below (including freezer/fridge)
- Holding and reheating of food up to 90 °C

This product is not intended for use under the following conditions:

- Microwave oven above 90 °C
- Conventional oven above 90 °C

**Disclaimer** • The declaration of compliance presupposes that the packaging material is processed properly. The assessment of the suitability of packaging material for the intended application is the responsibility of the user. Possible interactions of packaging material and its components with product are to be checked according to end use of food packers.
